

Due to the cessation of international air service immediately after the terrorist attacks, it was not possible to file an executed Declaration and Power of Attorney nor an executed Assignment. These documents are filed herewith.

Also included are copies of the Search Report and the Examination report as recently received.

An Information Disclosure Statement is also being filed under separate cover. The citations constitute the references cited in Applicant's prior Applications in the same field and are hoped to reduce the Examiner's search burden quite substantially.

Respectfully submitted,
